Action Items

1. Any Adults in a family are free if 1 or more child associated. If no child is associated with an adult they must pay.
2. When inputting race results there should be an editable list generated so you can see what you have done and correct any mistakes before submitting them.
3. Racers should be able to check in multiple people(who family) at the same time.
4. Admins should be able to see a list of all racers in attendance that night.
5. Admins should be able to have a separate page where they can print out all racers in attendance for that race.
6. Admins should see a running count 1, 2, 3, 4 etc in front of every racer in the racer index list so they can easily see how many racers they have. Specifically at the start line so they can tell how many they should have there compared to how many are actually there ready.

Minutes

7. Main admin should be able to add new logins for volunteers to add race results.
8. Main admin should be able to remove racers and no one else
